Important Patient Information

Referral Card

The referral card is on the back. Please bring this with you to your appointment.

Scheduling:

Please call to schedule an appointment, or your doctor may do this for you. When scheduling, you will be asked to provide us with information on your referral card.

Payment:

Payment is due at the time of your appointment. If you have insurance, we will assist you with your claim forms. Your carrier will reimburse you directly if they determine that the procedure is a covered benefit under your plan.

About DDI:

Diagnostic Digital Imaging is the leader in 3-Dimensional Maxillofacial Imaging. We use state of the art 3D digital equipment which allows us to provide doctors excellent diagnostic tools to assist in understanding the 3D human anatomy and provide customized treatment.
